

Town of Buena Vista Beautification Advisory Board
Tuesday, August 3 Meeting Minutes
6 p.m. at Mothers Neighborhood Bistro

The meeting was called to order at 6 p.m.

Attendees were Joy Duprey, Tami Yinger, Diane Look, and Jennifer Wright.

The July minutes were approved.

Joy asked that if anyone were traveling to Salida that they ask WalMart or Murdocks for a donation of liquid Miracle Grow.

The current balance in the Beautification account is \$866.

Joy met with Judy Hassell, Director of the Chamber of Commerce to take inventory of Christmas decorations. The Chamber would like to clean out decorations that would not be used and sell them or throw them out. Joy presented a list of the decorations to the Board. The Board decided to talk to BV Heritage about decorating the platform of the Depot at McPhelemy park and lighting up the bridge at McPhelemy Park with some of the decorations.

Joy discussed finding a new location for selling our BV shirts. Global Garage closed leaving us with the shirts they were selling and donating the profits to BV Beautification. We discussed talking to Carolyn Brent at The View.

Joy will give a board presentation to the BV Trustees on August 10. The budget requests Joy recommends were approved by the Beautification Board. The Trustees will be working on their budget in October.

Diane informed the board that the Eddyline is discussing putting on a fall celebration at South Main Park. We discussed being a part of the event by sponsoring a bump and jump and charging a small fee. Diane will talk to Brian at the Eddyline and see if they are open to the idea before we investigate it further.

Tami has a fundraiser idea for next spring. It would involve yarn bombing people's trees for a fee.

Joy will talk to Bresnan about hanging banners on East and West Main.

Judy Hassell, Chamber of Commerce Director asked Joy if Beautification would be interesting in sponsoring the 4th of July Parade. The board discussed this idea and decided that while we are not interested in sponsoring the event we believe it is important to keep it free for participants, which is what makes the event special.

The next meeting will be held on Sept. 7 at Mothers Bistro.

The meeting was adjourned at 7:30 p.m.
